APPENDIX II.

[Vide answer to starred question No. 658 asked by Sri K. Sattanatha Karayalar at the meeting of the Legislative Assembly held on 10th April 1958, page 480 supra.]

There are at present 30 Honorary Surgeons, 20 Honorary Physicians and 245 Honorary Assistant Medical Officers in the various Government medical institutions in this State.

2. Rules have been laid down to govern the terms and conditions of service of Honorary Medical Officers. According to the rules, appointments to the posts of Honorary Medical Officers and Honorary Assistant Medical Officers are made on a consideration of the recommendations made by the Director of Medical Services. In making his recommendations, the Director of Medical Services shall consult a Committee, consisting in the City, of the Dean, or Superintendent of the hospital and one Honorary Medical Officer on the staff and in the mufassal, of the District Medical Officer and one Honorary Medical Officer of the district. Appointments are usually made for a term of five years. On the termination of the period of appointment, the vacancy will be
